

Mod. AC 110

Mod. AC 120

Wireless Doorphone System

Digital wireless door intercom for 1- or 2 family houses with flat stainless steel outdoor unit

Modellseries AC 100

This new wireless intercoms mobile can be used in the house, in the garden or in the neighbourhood. The outdoor unit is for security reasons equipped with a separate power box that prevents manipulation of the door opener from outside. In addition, the system provides duplex transmission (speaking as on the telephone) in excellent voice quality.

- **Wireless range up to 200m (open area)**
- **Expandable with 3 additional indoor units per family**
- **DECT technology**
- **Duplex transmission (as on the telephone)**

The wireless door intercom Sets, AC 100 are available for 1- and 2-family houses

1-family-house-Set: Modell AC-110 = 1-family-house outdoor unit + 1 indoor unit
